

Circulation Task Force Meeting

Wednesday, February 22, 2017
10:00 am – 12:00 pm

City Hall
2000 Main Street, Huntington Beach, CA
Room B-7

Purpose and Objectives

The purpose of this Task Force meeting is to discuss the circulation issues/opportunities associated with the Huntington Beach General Plan Update. This discussion will rely on the information contained in the Existing Circulation Conditions Background Report as well as information prepared for the Draft General Plan Circulation Element and Traffic Impact Analysis prepared to support the Environmental Impact Report. The General Plan Team will present the results of this work effort and seek guidance from task force members regarding potential modifications or concerns to this content.

For further information regarding the meeting, please contact Jennifer Villasenor at (714) 374-1661 or jvillasenor@surfcity-hb.org. Agendas and documentation for this and other General Plan meetings will be made available at www.hbthenextwave.org.
